

Programme of the 12th Macedonian Jamboree

The programme activities at the Jamboree will be divided in 4 key areas, and those are the following:

- Scouting skills
- Nature & adventure
- Fun & challenges
- Culture & tradition
- SDG village

In the next couple of pages you can see the workshops and activities and read a short description about them.

The **Scouting skills** badges have a white background, **Nature & adventure** badges are with green background, **Fun & challenges** badges are dark blue, while **Culture & tradition** are with orange background. The **SDG** badges are downloaded from the official site of the United Nations*.

Regarding the duration, the badges with red frame are **one day** activities/workshops, blue ones are **half day** activities/workshops and the green ones are **quarter day** (couple of hours) activities/workshops.
